

PRICE INCREASE 2022

We have since we opened in 2012 held charge rates for the duration of your stay, however with some customers having been with us for a number of years we will now be bringing all rates in line with the current charges. For the majority this will mean an increase of around £3 to £4 per week, if you are unsure of your current rate it can be obtained by emailing Clair on hello@henleystorage.co.uk.

Increases will come into effect from the 7th April 2022.

Rates for a 95sqft unit will be increased to £57 inc VAT per week . Our insurance rate has remained unchanged since we opened in 2012. In June 2022 we will introduce a £1 per week per unit increase to cover additional premiums.

If you wish to leave us between now and the 7th April 2022 we will waive any notice period. In February you will receive notification of the new rate, £247.00 per calendar month from the 7th April 2022.
